## Call For Expression Of Interest (Eoi)

Sahara Sparks is part of Sahara Ventures which is a group of companies focusing on providing management consulting services. Our speciality is on managing projects, programs and corporate events. Sahara Sparks is currently involved in 18 months project called *Mawazo Challenge 2*.

*Mawazo Challenge 2* looks at design and implement an innovation support mechanism that would specifically target university students (Undergraduate, Graduate, Doctoral, and Post Doctoral) studying in a health and/or allied science field across Tanzania to prototype and test their research. Positive impacts could include practical experience and skills for university graduates in health-related fields, a renewed focus on applied research among higher learning institutions in health, and potential identification of new health technologies.
